MEMORANDUM FOR: Mr. Fisher Howe
Coordinator, National Policy Papers
Department of State

SUBJECT : National Policy Paper on Finland

1. The National Policy Paper on Finland has been reviewed at various stages in the drafting process by the Central Intelligence Agency, and we are in general agreement with the intelligence judgments on which the policy paper is based.

2. While I endorse those provisions in the paper which have a bearing on U.S. intelligence activities, I have no comment to make on the broader aspects of U.S. policy toward Finland, those being outside the competence of the Central Intelligence Agency and the Director of Central Intelligence.
